Department of Information Technology

Academic Year: 2018-19   **Name: Shankarlal Sharma**

Semester: VII   **Class / Branch: BE/IT**

Project Title: An Academic Platform for Knowledge Sharing

Group No: 6

Group Members:

1. Shankarlal Sharma
2. Dharmraj Yadav
3. Gaurav Babar
4. Satyajeet Yadav

**Guide:** Prof. Apeksha Mohite

Co Guide: Prof. Neha Deshmukh

Project presentation implementation progress

First, we start our project using terminal: npm run dev.

It opens the dashboard page:

Login page:

Homepage:

The output of user data into MongoDB database:

Here, the password is saved in encrypted format. The timestamp of profile creation is saved. The user is given a unique id.
